REUTS SIGNS J.M. FREY NA META-FANTASY TRILOGY

02/26/15—In a deal negotiated by Laurie McLean of Fuse Literary, the first book in the NA meta-fantasy trilogy from author J.M. Frey, titled *THE UNTOLD TALE*, is scheduled to release Winter 2015 from REUTS Publications. The *Untold Tale* will appeal to fans of Goldman's *The Princess Bride*, Hayes's *NPCs*, and Cervantes's *Don Quixote*. Suited for an 18+ audience, this book within a book adventure will suck you into the story in a way you've never experienced before.

"Master Forsyth Turn isn't a hero. He's never wanted to be one, either; not since his older brother Kintyre found the Foemiter and waltzed away from his family, his estate, and his responsibilities to become one—dumping all of his responsibilities on Forsyth. Good thing Forsyth likes bookkeeping and accounts, and all the other minutia of managing a fertile Chipping. Narrated by a likeable ruler, but highly unqualified hero, J.M Frey's fluid and realistic prose builds a vast new world around the reader, one you'll have a hard time escaping on your own."

J.M. Frey can be reached via Twitter [@scifrey](https://twitter.com/scifrey), [Goodreads](https://www.goodreads.com/author/show/J.M._Frey) and her [author website](#). She is available for print or live interviews and events with scheduling.
