KATIE HAMSTEAD SIGNS NA MAGIC REALISM ROMANCE NOVELS, DECEPTIVE CADENCE & INDECISIVE CADENCE

02/05/2015—Deceptive Cadence and Indecisive Cadence are a NA Magic Realism Romance series from author Katie Hamstead. Scheduled to release Summer 2015 from REUTS Publications, Deceptive Cadence and Indecisive Cadence will attract fans of stories such as *The Time Traveler's Wife* by Audrey Niffenegger, NBC's *Resurrection*, and *Somewhere in Time* by Richard Matheson. Suited for a 16 – 25 audience, this hopeful yet heart-wrenching story sends readers on a roller coaster of emotions as it explores the question: What would you do if you were given a second chance at your first love?

“From the very first pages, Hamstead pulls readers into a tale rich with emotion, heartache, and intrigue. In a twist of fate, Cadence gets a chance to go back in time in an effort to save her recently deceased husband and daughter. The story that follows is powerful, thought-provoking, and beautifully captures the essence of young love in a way you’ll never forget.”
