## VALENTINA CANO SIGNS SEQUEL TO THE ROSE MASTER

03/26/2015—Cano signs the sequel to her debut YA Historical Horror novel *THE ROSE MASTER*. The sequel will pick up where *The Rose Master* left off, following the continued journey of Anne and August. Suited for a 16 - 25 audience, this beautiful tale will once again capture the hearts and imaginations of readers searching for the romanticism of Victorian literature and horror of Stephen King.

“In this Gothic fantasy, Cano evokes both *Beauty and the Beast* and *Jane Eyre* while creating something new and strange. Cano does a beautiful job of setting mood and atmosphere, and her characters dance around one another with relentless industry and brooding allure, fighting their inevitable attraction. This is a strong, satisfying effort.”
