CAIT SPIVEY SIGNS NA DARK FANTASY NOVEL, FROM UNDER THE MOUNTAIN

April 23, 2015—From Under the Mountain is a NA dark fantasy debut from author Cait Spivey. Scheduled to release Fall 2015 from REUTS Publications, From Under the Mountain will appeal to fans of McKinley's *The Hero and The Crown* and Nix's *Sabriel*. Suited for an 18 - 30 year old audience, *From Under The Mountain* it is a female-led whirlwind of adventure, with a diverse cast and classic fantasy scope.

"From Under the Mountain is a dark fantasy which reminds us that not even the strongest magic can hide a secret forever. Nineteen-year-old Guerline's ascent to the throne shatters everything she thought she knew about the witch clans that protect her empire—and when an ancient power breaks free from its prison under the mountain, the empress must decide who to trust, for the sake of her people. A classic fantasy in the vein of Robin McKinley, From Under the Mountain combines lyrical writing full of adventure with the political intricacies and world-building brilliance of fellow genre great Jane Lindskold, all set against the backdrop of one young woman's journey toward discovering the strength of her own heart."
