NICOLE TONE DEBUTS NA CONTEMPORARY FICTION NOVEL, LAKE EFFECT

April 30, 2015—*Lake Effect* is a NA contemporary fiction debut from author Nicole Tone. Scheduled to release Winter 2016 from REUTS Publications, *Lake Effect* will appeal to fans of Halse's *Speak*, Picoult's *Tenth Circle*, and Bank's *The Girls' Guide to Hunting and Fishing*. Suited for a 18 - 30 audience, Tone's evocative style addresses emotional and personal battles in a way that will leave your soul raw but hopeful.

"Sophie is doing her best to recover from the death of her fiancé, but moving on has never been her strong suit. Caught up in a cold, lonely Buffalo winter, an affair with her mentor seems like it will help her numb the pain, but things only go from bad to worse. *Lake Effect* addresses the effects of depression, PTSD, and loss with experienced elegance and respect, emphasized by Tone's emotional prose and realistic story. If Sophie doesn't choose to heal, it could cost her more than simply the life she's built for herself; it could cost her life."

Nicole can be reached via Twitter([@nicoleatone](https://twitter.com/nicoleatone)), [Facebook](#) and her [website](#). She is available for print or live interviews and events with scheduling.
