## JULIE HUTCHINGS SIGNS NA DARK FANTASY/HORROR NOVEL, THE HARPY

6/4/2015—The Harpy is a NA Fantasy/Horror novel from author Julie Hutchings, known for her best-selling *The Shinigami* series. Scheduled to release Spring 2016 from REUTS Publications, The Harpy blends elements of *Suckerpunch* (Snyder) and *Mirrormask* (Gaiman) and will appeal to fans Rowland's *My Life as a White Trash Zombie* and Wendig's *Blackbirds*. Suited for an 18 - 30 year old audience, this raw and tortured story will hold your emotions captive and leave you rooting for the unlikeliest of heroes.

"Hutchings beautifully breathes life into anti-heroine Charity Blake in a way that punches your gut and pulls at your heart at the same time. When eternity in Hell is more appealing than the life she's made, Charity has to question if it's possible to fix what--and who--she's broken. The Harpy delivers a powerful story of hurt, revenge, and redemption, with emotion-filled prose and gripping imagery."
