CLAYTON GERRARD DEBUTS NA MAGIC REALISM NOVEL, THE MISADVENTURES OF A LIFE LESS LIVED

July 16, 2015—The Misadventures of a Life Less Lived is a NA Magic Realism debut from author Clayton Gerrard. Scheduled to release Winter 2016 from REUTS Publications, The Misadventures of a Life Less Lived will appeal to fans of Rubin's *DENTON LITTLE'S DEATHDATE*, Swift's *GULLIVER'S TRAVELS*, and Hayes' *The Utterly Uninteresting & Unadventurous Tales of Fred, the Vampire Accountant*. Suited for an 18+ audience, The Misadventures of a Life Less Lived mixes snark and satire with the traditional hero's journey, leaving Doug on a quest to find a new life after his own has spoiled.

"The Misadventures of a Life Less Lived is the story of Doug, a secretly-bookish college junior who lies to his friends to maintain their good opinion. He wakes up one morning to discover his life has spoiled. As a member of a popular fraternity, having no life is social suicide, so he embarks on a quest to find another life before anyone can discover he's a temporary loser. With Gerrard's sarcastic prose and a foundation built upon a fantasy adventure, The Misadventures of a Life Less Lived pulls out all the shots to entertain you from cover to cover."

Clayton can be reached via [Facebook](#), [Twitter](#) and [Goodreads](#). He is available for print or live interviews and events with scheduling.
